## BEIJING

Beijing, a metropolis in northern China, is the capital of the People's Republic of China. Beijing is China's second largest city in terms of population, after Shanghai. Beijing is one of the Four Great Ancient Capitals of China. It's also one of the world's most famous ancient historical and cultural cities. From 221 B.C. to 937 A.D., Beijing remained as an important town in northern China as well as the capital city of the ducal state. Beijing is recognized as the political, educational, and cultural centre of the People's Republic of China, while Shanghai and Hong Kong predominate in economic fields. It hosted the 2008 Summer Olympics.
