

GUILIN

Guilin is located in a Karst basin, southwest of the Lingnan Mountain Range and is renowned for the natural beauty of the Karst mountain peaks. People from many ethnic groups of China inhabit in this area. Due to its agreeable subtropical climate, there is no “low season” for tourists.

CHENGDU

Chengdu, located in southwest China, is the capital of Sichuan Province and a sub-provincial city. It is the 5th most populous city in China. Chengdu is also one of the most important economic centers as well as transportation and communication hubs in China. More than four thousand years ago, the prehistorical Bronze Age culture of Jinsha established itself in this region. The fertile Chengdu Plain, on which Chengdu is located, is called “the Land of Abundance”. There is a sanctuary for the Giant Panda nearby.
